Finlay Minerals completes Drilling and Field Programs on the Silver Hope Property

Vancouver, BC – November 15, 2022 – Finlay Minerals Ltd. (TSXV: FYL | OTCQB: FYMNF) ("Finlay" or the "Company") is pleased to announce that all drilling and field programs have been completed on its Silver Hope Property, in central British Columbia.

2022 Silver Hope:

The recently completed 1,671 meter ("m") drill program evaluated some of the high-priority, undrilled targets within the Equity East Zone (3 holes totaling 444 m) and the Allin Zone (3 holes totaling 1,017 m). The Equity East and Allin targets are combined geochemical and geophysical anomalies strongly associated with the Goosly Intrusive Complex (GIC). ([CLICK HERE](#) to view the [Silver Hope Property with the Equity East & Allin Zones and the Main Trend's Gaul Zone Map](#)). The former Equity Silver open-pit and underground mine is located on the western edge of the magnetic high anomaly which is interpreted as the GIC.

Follow-up drilling in the Gaul Zone (1 hole totaling 210 m), along the Main Trend, also tested 125 m south of SH21-09 which intersected **76.57 m (from 80.23 m) grading 0.45% Cu, 14.6 g/t Ag, and 0.14 g/t Au.**

Overall, 817 drill core samples were submitted for analysis, along with 151 soil samples taken to the west of the MAIN Trend over the SAM showing, and another 21 soil samples taken over a new gossanous area to the northwest of the former Equity Silver Mine exposed by recent logging. All samples have been shipped to ALS Global Laboratories. Assay results will be released after they have been received and reviewed.

Forward-Looking Information: This news release includes certain “forward-looking information” and “forward-looking statements” (collectively, “**forward-looking statements**”) within the meaning of applicable Canadian securities legislation. All statements in this news release that address events or developments that we expect to occur in the future are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, although not always, identified by words such as “expect”, “plan”, “anticipate”, “project”, “target”, “potential”, “schedule”, “forecast”, “budget”, “estimate”, “intend” or “believe” and similar expressions or their negative connotations, or that events or conditions “will”, “would”, “may”, “could”, “should” or “might” occur. All such forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although Finlay believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploration results, availability of capital and financing and general economic, market or business conditions, and the other risk factors described in Finlay’s filings with Canadian securities regulators on SEDAR at www.sedar.com. These forward-looking statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, the timing and receipt of regulatory and governmental approvals, the ability of Finlay and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Finlay’s proposed transactions and programs on reasonable terms, and the ability of third-party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Finlay does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future or otherwise, except as required by applicable law.
